Dr. Hull to Teach SC Grad Courses

J. H. Hull, Superintendent of the Torrance Unified School District, will be a member of the guest faculty in the University of Southern California School of Education during the Summer Post session, Aug. 4-30.

As a Visiting Lecturer, Dr. Hull will teach City and District School Organization and Administration, and a Seminar in the Superintendency, both graduate courses, according to SC Summer Session Dean, John D. Cooke.

A graduate of the University of Redlands and Colorado State College of Education, Hull received his Doctor of Education degree from SC in 1949.

Capturing all the romance of a colorful travel folder, Kyoto's, the Japanese restaurant on Western, continues to please more patrons, new and old, with its charming atmosphere and delightful dinners.

It's always a special treat to dine in one of the private tatami rooms (without shoes) and be served by the traditionally costumed waitresses. In fact, with the popular Sukiyaki dinners, the main course is prepared right at the table.

The dinner starts with a delicately flavored clear soup (Suno) served without a spoon, and a very tasty salad (Sunomono). The appetite-whetting salad usually consists of cucumber, turnip and crab meat. The Sukiyaki, which is prepared at the table in a large metal vessel is made of either tender slices of beef or chicken with Tofu (bean cake), and is flavored with bamboo shoots, mushrooms, onions, and other fragrant and tasty ingredients. While this is cooking, giant sized fried shrimp (Tempura) are served with a delightful sauce.

As an accent to this meal, besides the beverage of green tea, a rice wine (Sake) served warm in a porcelain container, may be ordered. This serves to warm the spirits. Tasty baby orange sections in a gelatin mold top off this enjoyably different dining experience.

In keeping with their tradition of being the Beau Brummels of the bar, tenders Freddy and Bob Martello of the Vegas Club now sport the brightest sunbans this side of Palm Springs. It is rumored that the lads have been approached to pose for some photos for 'Playgirl' magazine.

Over at the big and bustling Push Horse on Pacific Coast highway (Redondo Beach), where Ted Campbell has become an eventide fixture at the organ, the favorite late night liquid is a tall Irish Coffee. Merry Bill Brown, one of the beverage dispensers at this Old English styled modern restaurant, can prepare one of these warming and palate pleasing drinks with the deft of a true son of Hibernia.

Although it is unwise to switch drinks (some say) it must be reported that this is Wine Festival Week at Locooco's in Manhattan Beach. Host and owner Nick Locooco has programmed special dishes and toasts in saluting this most precious and popular of "fruit juices."

After food and drink have been appreciated, it's time for the dance... and at Dick Master's Ball III on Imperial-highway a new Latin group brought the Tuesday scene. The Bobby Montez quintet really puts the cha in the Cha-Cha... which nicely complements the modern dance stylings of the Hi-Brows and the other six nights of the week. The Ball III, named after a south sea island, is certainly a dance fan's paradise.

NAMES IN THE NIGHT:

Pearl Clark, the beautiful model usually swathed in leis at the Polynesian, who is from those romantic spots called Hawaii and Minneapolis (?)

Frankie Lane, the stylish crooner, who treated his happy family this week to dinner at the Flush Horse; Beverly McCorkle, the attractive Southland interior decorator, who cuts a mean two-step at the Ball III; the Jump 'n Jack, that popular chuck wagon restaurant on the Great Wide Way in Torrance, where fashion shows may be part of the Saturday scene regularly soon; Big V. and Blonde A., those publicity-conscious Gardenians, who had a ball with one of those Polynesian king-size tropical drinks last week; Dave Lilley, affable manager of the Monterey Cafe in Gardena, who had cigar passing pleasure with Tuesday's arrival of a new baby daughter; FLASH... Tom Parks, crutch-wearing editor of the Gardena Tribune, who miraculously became a father to an attractive baby daughter (with the help of wife, Suzy) and thus scoops the sceptics.

PLACES HIGH IN TEST

Battalion Chief Neil Whitney of the Torrance Fire Department, recently placed second in the examination for fire chief in newly incorporated Santa Fe Springs. Nosing him out of first place was Joy West, Veteran Hawthorne fire chief.

Schmidt Wins Outstanding List

Robert Eugene Schmidt of Torrance has been named on a list of outstanding students at the University of California, Davis, on a basis of his academic record since entrance.

Schmidt, a sophomore majoring in pre-veterinary medicine in the College of Agriculture, has exceeded a B average, said Dean of Students Lysle D. Leach.

He is the son of Mr. and Mrs. Emil Schmidt of 18801 Wilton pl.

Exam Rules for Attorney Aide

Job specifications for the position of deputy city attorney were authorized by the City Council Tuesday.

The official will be selected through a civil service examination, and assist City Attorney Stanley Kesselmeier, particularly in prosecution work.

The Council asked that the successful candidate have a minimum of three years practice.

NEW DRYER INSTALLED

To assure dry compressed air required for testing turbines and precision instruments, Douglas Aircraft Company's El Segundo Division has installed a Melsheimer 125 Industrial Air Dryer at its Torrance plant. Manufactured by T. Melsheimer Co. and distributed by George W. Leseman & Co., the Melsheimer Air Dryer removes water vapor from compressed air to eliminate condensation of water in piping systems.

Fire Truck for Park

An obsolete fire truck will be donated for use as play equipment in McMasters Park, as result of a request by the park's Mothers Club.

Fire Chief J. J. Benner told the City Council that he wants to strip the vehicle of its engine, wheels and other parts that can be used on other equipment he has.

Veterans and Auxiliary Have Potluck Dinner

Veterans of World War I No. 431 and the Ladies Auxiliary staged a pot luck dinner Thursday night at 6:30 in Ulabrand Hall, 1125 Gaffey st.

Mrs. Sylvia Jungferman was chairman for the dinner and was assisted by Tana Miekly, Julia

FOREIGN LINE—Herman Miller, Torrance Plymouth dealer, has added Triumph sports cars to his auto sales and service departments. Here he is behind the wheel of the spunky car.

Miller Adds New Triumphs to Line

Expansion of the Herman Miller Plymouth dealership to include a complete line of imported Triumph cars, was announced today by Herman Miller.

In addition to selling the sturdy line of autos, the agency has added new equipment and expert mechanic help to service them.

Miller said that he features Triumph roadsters, sedans and station wagons.

Immediate delivery and bank terms will be available for the Triumphs as well as Plymouth cars, Miller said.

His mechanics have been trained to work on Triumphs, and spare parts are amply available.

Miller's Triumph franchise extends north to Hawthorne and include Redondo Beach, Lomita and Palos Verdes Peninsula.

Boys Aid Stalled Motorist Here

Jerry Delanger and Johnny Allison, Torrance Car Club members, chalked up a good deed Wednesday night when they aided a "damned in distress" Mrs. Ward Thompson, 434 E. 138th st., whose car motor stopped at 135th and Hawthorne blvd. when she was enroute for groceries.

The boys stopped and offered their services and when they could not start the car, pushed it of the highway out of danger. Then they took Mrs. Thompson home, waited for her husband, and drove the two back to the stalled car. Mr. Thompson was able to start the motor.

"Several cars had passed me," said Mrs. Thompson, "but these boys came along and helped. In these days when one hears so much about the bad things about youth, I'd like to have them know about one of the good things. The boys were very polite and would not accept anything for their trouble."

Softball League Signups Offered

Boys wishing to play on city softball teams during the season which begins June 16, are requested to contact the park directors in city parks closest to their homes.

Four leagues for different age groups are available. Registration will be accepted at Torrance, McMasters, Walteria, El Nido, El Retiro and Sea Airia Parks.

Benz, Eva Marie Drollinger and Vesta Coggins. Mrs. Helen Lyman, president of the Ladies Auxiliary, conducted the regular monthly meeting after the dinner.

Absentee Vote Applications Taken

Any voter who expects to be unable to vote at his regular polling place in the coming June 3 election may secure an absentee voter's ballot by writing to Registrar of Voters Benjamin S. Hite, 806 N. Spring st., Los Angeles 12, between May 14 and May 29.

In his letter the voter should make the following statements: (1) That he is a voter of Los Angeles County. (2) That he is registered at his home address in the county; the address to be given. (3) That he needs an absentee ballot for one of three reasons only: absence from election precinct on June 3, physical disability, or religious tenets which prevent his attending the polls throughout June 3. (4) Address where absentee ballot should be mailed. (5) Date. (6) Signature of applicant.

Pearls of great price?

Better yet!... they're iron pellets

Almost 6 million tons of these pellets were produced last year. Since there were so many, why are they so precious?

Because steelmen—searching for new sources of iron to supplement the rich deposits of ore they have been using for so many years—have invested over a billion dollars in their manufacture.

The precious iron pellets are produced out of the abundant iron-bearing rocks of Minnesota and Michigan. The product of the teamwork of technology plus capital, the pellets are cheaper to ship and store, and easily fed into the furnace.

Pellets may not be as beautiful as pearls, but they are far more important to you.

Steel... metal of a million uses
